2. I informed Congressman Howell (N. J. ) that the investigation of [ ] had indicated a rather lengthy history of emotional instability which required us on completion of the investigation to rule out the possibility of [ ] employment here. I suggested that if [ ] sought to reopen the case on the basis of his own doctor's certificate, that we would have to continue to reject his application due to the nature of the work of the Agency and the pressures under which it's conducted.

3. WLP had a meeting with Mr. James J. Kelly, Jr., Counsel, and Mr. Kenneth L. Hansen, Consultant, to the Subcommittee on Export Controls and Policies of the Senate Interstate & Foreign Commerce Committee. (See memo for the record this date).
